

Today's Monday Meditation comes from Curtis Craft, our special speaker last Sabbath who provided a wonderful worship experience for us centered around a recent mission trip to Fiji. It was a blessing to all.

May all of my Brothers and Sisters be blessed this week! How great is our God. He is Excellent!!

Monday Morning "Fast-Forward"

Why Fast Forward??? Because you look *forward* to His coming (and "we" all do). What is it that we all need to do to move forward? Seek/search for God in prayer asking Him to "make me ready." Ask Him to open all of our eyes/hearts/minds/voices to see what He sees, feel what He feels, say what He would say, and do what He would do.

And when you feel all alone, remember our scripture in Matthew 28:20b "And surely I am with you always, to the very end of the age" (NIV). And when you want to feel God's hand even more, what will you do? PRAISE HIM. Remember what David told us--that God inhabits praise (see Psalm 22:3). So praise Him with all your hearts and you will feel more and more of His presence. Look forward to His coming with much prayer and praise.

Keep praying for each ministry that our King has given us. Are you as eager for Christ to return as He is? I pray we all are. See all of you next Sabbath. --Curtis
